

Come and Bid on Silent Auction Items!

There are TONS of different items donated to the Pet Wellness Expo every year. Among all the fun things you can do at the Wellness Expo, Attendees enjoy trying to outbid their opponents on their favorite items at the Silent Auction tables!

Items are donated by local Businesses and may or may not be pet related in nature. Here is a sample listing of items available to bid on at past events:

Gift Certificates, Gift Baskets or Items that relate to their specific type of business, sweatshirts/T-shirts, cosmetics, wine basket, massage gift certificate, pet related items/baskets, lots of pet food/treat items, lots of people food items, floral arrangements, facial care/spa products, animal communication gift certificate, dog training class certificates, candles, etc! There are too many items to list them all here!

Most items are valued at less than \$50 to make the bidding more fun!

Wish to make a donation? See the page on Donating Items and the Donation Form.

Silent Auction Rules

Each item is marked with an initial minimum bid. The first bid must be at or above the minimum bid listed on the bid sheet. Bids are in \$1.⁰⁰ increments.

Participants Must be over 18 to participate.

Bidding on the Silent Auction Items begins at 9am and Closes at 2:30pm.

Participants with Winning bids must either:

Be present at 2:30pm to claim item

OR

Pick item up Creature Comforts Veterinary by April 25th

How will the Proceeds be used?

Creature Comforts Veterinary recently opened a new LOW COST Spay/Neuter Program in Burlington. This program is designed to help control the pet population by providing affordable veterinary care to financially challenged individuals and/or people who have multiple pets that need to be spayed/neutered. This would include people on government assistance (disability, welfare, food stamps, etc). It also includes rescue/shelter organizations and farm/stray cats. The proceeds from the Silent Auction this year will go towards funding this new program. Millions of adoptable animals are euthanized every year due to the pet overpopulation. For more information on this program -See the Creature Comforts Veterinary website at: www.creaturecomfortshousecalls.com. Click on Low Cost Program in menu bar.
